McClure was appointed hon. auditor in the place of Mr. Bradshaw; all three appointments were made for the remainder of the Hospital year.

The death of Mr. J. L. Maitland-Govan took place on the 9th of July; Mr. D. M. O'Connor, F.R.C.S.I. succeeded to the

practice, and at a special meeting of the Hospital managers held on the 30th August he was unanimously elected a member of the honorary medical staff for the remainder of the Hospital year.

SUBSCRIBERS' AND DONORS' MEETING.

This meeting was very well attended, and added largely to the list of Hospital subscribers.

ADDITIONS AND IMPROVEMENTS.

A fire escape, in the form of an iron staircase with platform, has been erected on the top floor of the north wing of the Hospital, at a cost of £42. The pine-wood work of Nurse Hiscocks' cottage has been stuccoed over to prevent damp. A considerable number of surgical instruments and requirements have been purchased, and the linen has been partially replenished.

GENERAL FINANCES.

The receipts for the year amounted to £2,310/2/7, and the expenditure to £2,515/15/8, a credit balance of £132/8/10 was brought forward from 1926, and there is a debit balance of £73/4/3 at the close of the year.

BUILDING FUND.

The amount now required to wipe off the debt on the purchase and establishment of the Manor House premises as the Cottage Hospital is £731/18/1.

GIFTS TO THE HOSPITAL.

The following are some of the gifts bestowed on the Hospital during the past year: "Pound Day"—1,177 pounds of groceries, 205 pounds of potatoes, and 684 eggs. A large number of valuable surgical instruments and appliances and a linen cupboard from Sir Richard Luce; a bookshelf and china from Eleanor Countess of Suffolk; a carpet from Mrs. Wilson; and curtains from Mrs. Montagu Chubb—all for the nurses' sitting

room; a kitchen range from Mrs. Storey; a ton of coal from Major Hunloke, and many presents at Christmas for the staff and patients.

SUBSCRIPTIONS AND DONATIONS.

These amounted to £991/2/3 a decrease of £21/17/6 on the previous year. There was no Bazaar in 1927 which the previous year realized £240. The following efforts were made on behalf of the Hospital funds, to whose organisers the very hearty thanks of the committee are accorded:—

Harvest thanksgiving offertories, £54/2/1; to the clergy of all denominations, and for their gifts in kind also from these services.

Pound Day and Children's Carnival, £38; to the 120 children who took part in the Fancy Dress Parade; the pupils of Crudwell School, who gave an exhibition of Swedish Drill and dancing; and the children of Hullavington School, who won the Hospital Challenge Shield for Country Dancing.

Hospital Dance, £33; to the Matron and her Ladies' Dance Committee, viz., Mrs. Harry Jones, Mrs. H. Hinwood, Mrs. Gladwin, Mrs. A. Hinwood, Mrs. J. Lockstone, Mrs. T. Smith, Mrs. Malins, Mrs. W. Rich and Mrs. Soar.

Wiltshire Constabulary Amateur Athletic Club, £21; to all the competitors.

Hospital Challenge Football Club, £17/15/5; to all the competitors, and to their hon. secretary, Mr. E. Parrott.

Lawn tennis tournament, £11/1/4; to Mr. E. N. Ratcliffe, Mr. E. Greenfield, and all the competitors

Brinkworth Hospital Sunday, £9/9/6; to the Rev. Canon

Livingstone and all who took part in the Fancy Dress parade.

Hospital Savings Association, £5, per Mr. C. Moore

Dance at Callow Hill, Brinkworth, £4/12/0; per Mrs. Bodman.

This list by no means exhausts the organisations to augment funds by the friends of the Hospital, which have been so gratefully received by the committee.

LEGACIES.

Among the benefactions which have been received during the past year first place must be given to the magnificent bequest of the late Miss Christiana Hutt, of Crudwell, under whose will her residuary estate is bequeathed for the benefit of poor persons in the Malmesbury Cottage Hospital. The amount now is £2,526, the immediate benefit of which accrues, and at the expiration of an annuity a further sum of £1,700 Consols will also accrue to the charity, the income of which will be received through the Charity Commissioners and administered for the benefit of a poor patient nominated in accordance with the scheme which will be published in due course.

A legacy of £500 was bequeathed to the Malmesbury Cottage Hospital by the late Lieut. Colonel A. T. Miller, and was applied for the reduction on the overdraft on the building fund.

A legacy of £100 was bequeathed by the late Mr. Albert Vines, of Hullavington, to the Malmesbury Cottage Hospital.

The committee thankfully acknowledge these welcome bequests, and gratefully appreciate the sympathy shown with their work, and the approval of their management of the Hospital evinced by the donors.

THANKS.

The committee tender their sincere thanks to their chairman, hon. treasurer, hon. secretary, and the hon. medical staff for their devoted and untiring work for the Hospital and

its welfare ; to the Hospital collectors ; to Mr. Basevi (for cinema shows which he has kindly given to the patients), to the Rev. Milnes-Walker (who has conducted the services in the wards throughout the year), to Mrs. Harry Hinwood (who has played at these services), also to the clergy and ministers who have visited the patients in the wards.

To their Matron (Miss Hesketh) the committee gratefully acknowledge their indebtedness for her work in all capacities during the past year ; her duties are ever increasing, and comprise the domestic supervision of the Hospital, the training of her probationers, her medical and surgical nursing, and the responsibility of the care of all her patients, all of which she has carried out most efficiently, loyally, and faithfully.

To Sister Killen, Sister Cottle, Nurse Hiscocks, and all members of the nursing staff the committee desire to express their warm appreciation of their work.

The weekly list in the local papers records the constant thought and kind gifts of friends of the Hospital, and the thanks of the committee are accorded to the editors of those papers for publishing the reports free of charge.

The working of the Hospital during the year 1927 has been one of happy united effort for the good of its inmates, and the testimonies of appreciation and gratitude so constantly received by the Matron and the committee bear witness that the Hospital confers all the benefits it so desires to do on those needing its ministrations.

RULES FOR COTTAGE HOSPITAL

1—This Hospital is designed for the accommodation, in case of severe illness or accident, of the poor of the Borough of Malmesbury and the Parishes comprising the Rural Sanitary District only, but in very exceptional cases patients living at Upper and Lower Stanton, Seagry and Shipton Moyne may be admitted to the Hospital, when a member of the Medical Staff is desirous of following up his case, at a minimum charge of 15/0 a week.

2—Patients afflicted with unsound mind, epilepsy, enteric, infectious and contagious or incurable disease shall NOT be admitted into the Hospital.

4—Previous to the admission of any patient, the necessary form *must* in all cases be submitted to the Matron, who will inform the surgeon whether there is a vacant bed and when the patient can be received. In the event of accident or emergency, the patient will be at once admitted into the Hospital, but a letter of recommendation, with a guarantee of payment, must be obtained afterwards.
